{
  "generated_text": "Today i was walking through the park with my friends when a bunch of people started throwing cans of Kool-Aid and I just looked at it and we all took all of this Kool-Aid out and threw it at people and everyone just just started doing it. I think it's kind of strange, but when people do that, people come up to you and say \"hey, we're going to throw something at you!\" And people go \"hey, you know what, we're going to throw something at you!\" \"I'm going to throw something at you!\" I don't know if it's a sign that you're going to throw something at people or if you just have to use some other way of walking or something. It's just weird.\n\nAdvertisement\n\nAdvertisement\n\nAVC: You mentioned that you're a bit of a \"furry\" type of guy. I guess you're just a bit of a \"furry\" type of person.\n\nPG: Yeah, I guess I'll tell you that I'm a completely different person, there's so many different ways to express myself now, and I'm more of a \"furry\" type of person. I do use some kind of physical expression, but I also live in a society that is very"
